Dear James:

We at Garmin would like to thank you for your highly technical and service oriented support of Garmin's automotive navigation products. Your organization's technical knowledge is superb and for that we have total confidence in referring Garmin customers to your company.

We are delighted with your company's continued support to market our Garmin GPS products through your fleet and retail channels.

There are many issues to be concerned with when installing and interfacing our new StreetPilot 2650. We know that your staff has the knowledge and ability to handle this type of challenge regardless of the vehicle it may involve. Therefore, Garmin is proud to recommend Auto Nav 2000 Inc. for Garmin product sales and service.

Auto Nav 2000 Inc. is our only authorized Garmin Installation Dealer in the state of California.

Sincerely,

A handwritten signature in blue ink that reads "Dan Bartel".
